The 2012 Bolgheri Superiore I Castagni is 50% Cabernet Sauvignon, 40% Syrah and 10% Teroldego aged in oak for 24 months. Some 6,000 bottles are produced. This beautiful wine offers a careful and well-studied sense of balance with wild fruit and dried cheery that are contrasted against heavier notes of tar, leather and tobacco. Like all of Michele Satta's excellent wines, they are linked by a special level of textural finesse and silkiness that is so specific to this winemaker.

Michele Satta continues his magnificent winemaking experience on the Tuscan Coast with this excellent lineup of new releases. This year, you might notice the refreshed label designs.
